John,
You did a great job with this. I Deliberative Process / Ex. 5
Deliberative Process / Ex. 5 please see attached a clean copy. Can you (and everyone on the email!) read this with fresh eyes and see if it works??

Thanks,
Tina

Importance: High

I added the May 9 memo and cut it way back to focus on the Exec Summary, Integrated Synthesis, and identification, evaluation and characterization of science as it is applied to draw causal determinations. It's in Track Changes but I suggest you look at it using No Markup.

Please review and comment asap (by noon Friday if possible). Next step after your comment is to provide a draft to JOZ and OAQPS.

John
